### FOR IMMEDIATE RELEASE

**(Winner / Hotel / Company Name)** Awarded with Exceptional Achievements in the  
**2024 MUSE Hotel Awards: Season 2!**

**(City, State - Date)** The 2024 MUSE Hotel Awards, in collaboration with the International Awards Associate (IAA), announces that **(Winner's Hotel / Design Studio)** has been honored with a MUSE **(Category Winner of the Year / Platinum / Gold / Silver)** award in the **(Category Program)** of Season 2, celebrating exceptional achievements in hotel and hospitality design. The MUSE Hotel Awards honors excellence across all categories that define the peak of global hospitality, recognizing the world's leading hotels that continue to elevate the guest experience and set new standards for the industry's pursuit of perfection.

In this thriving year, the MUSE Hotel Awards was on the receiving end of widespread attention from the global hospitality community, drawing over hundreds of entries from countries such as the **United States, Germany, Japan, United Kingdom, France, China, Sweden, Spain, United Arab Emirates, Finland** and many more. **[Winner's Hotel / Design Studio]** highlighted their international prestige and reputation for excellence, innovation, and leadership in the ever-evolving hospitality industry.

"I am truly honored to be part of this celebration for the MUSE Hotel Awards. Envisioning the winners shaping global legacies in hospitality and captivate the judges with their exceptional achievements is nothing short of inspiring. This is exactly how my expectations align with MUSE—as a platform that elevates and celebrates the finest in the industry," expressed Thomas Brandt, spokesperson of IAA.

### **Grand Jury Panel**

Recognizing the importance of impartial evaluations, the MUSE Hotel Awards assembled a panel of industry professionals from around the world. This esteemed group includes leaders such as **Kushal Birari** (United States), **Mark Turner** (United Kingdom), **Tiago do Vale** (Portugal), **Jeremy Smith** (New Zealand), **Pal Pang** (United Kingdom), **Christina Kuo** (Canada), **Mihaela Plesca** (Romania), and many more. Their expertise ensured a fair and rigorous evaluation process, where excellence was the only criterion and blind judging was strictly upheld.

"We are proud to be recognizing and celebrating brilliance in hospitality, always seeking those who aspire to redefine the guest experience," said Thomas. "With MUSE, we eagerly anticipate future competitions where excellence will continue to shine, and where your dedication will further shape the legacy each of you is building."
